**EXT. COLLEGE HALLS - AFTERNOON - 3PM**

KANAKO (22 year old, 5'2", pale skin and hair strawberry-blond curls. emerald eyes.) walks down the halls of her college, a sudden booming voice interrupts her peace.

EMI: (EXCITED)  
"Kanakano!!"

Kanako turns to be met with her best friend EMI (22 years old. Standing at 5'4". Her raven hair is cut into a short, choppy bob that frames her expressive chocolate brown eyes.)

KANAKO: (CONCERNED)  
"my goodness Emi..what happened-"

EMI: (EXCITED)  
"Come on, lets go to the bar tonight! I have extra tickets~"

Emi leans forward, invading Kanako's personal space by a lot.

EMI: (CONT'D)  
"it's an expensive one~ Come on, a lot of wealthy motherfuckers go! Maybe we can find you a sugar, it'll make your life easier~"

Emi sways her hips, bumping into Kanako's in a teasing manner.

KANAKO: (LAUGHING)  
"I can handle myself on my own"

Emi pouts but quickly clings onto Kanako's arm tightly

EMI: (WHINING)  
"Fineeee! We won't go boyfriend haunting, but will you come? Please~ don't leave me alone~"

Kanako looks at Emi, trying to remember the last time she took some time to herself, Kanako chuckles.

KANAKO:  
"Alright, but drinks on you"

EMI:  
"Leave it to me!! Let's meet at 7pm at my dorm! I love you girly~"

EMI quickly pulls kanako in for a hug before kissing her cheek and running off to god knows where...probably to get ready now.

**INT. EMI'S DORM - NIGHT - 7:15PM**

Kanako arrives at Emi's place and knocks on her door. She wears a simple pair of jeans with a slightly painted shirt.

EMI opens the door happily, she's wearing a short blue dress that hugs her petite figure perfectly. Her smile almost fades as she looks at Kanako up and down..

EMI:

"oh honey..where did I go wrong with you?"

EMI shakes her head and pulls Kanako inside, making Kanako go through a forceful and painful transformation. For what feels like hours, Emi works on Kanako, from the tips of her hair all the way to her colored toenails.

Kanako looks at herself in the mirror.

KANAKO: (SHOCKED)

"Wow..is that really me?"

Kanako can't help but turn around to see herself fully. She has a silky red mini dress, fitting her perfectly. EMI nods with a smirk, smirking lightly at her friend checking herself out.

EMI: (PROUDLY)

"I did that..but, Were gonna be late! Leave the checking out for men! Come one!"

EMI pulls Kanakoo out the door and into her car, driving off to the bar.

**INT. EXPENSIVE BAR - NIGHT**

Emi and Kanako both walk into the club, heading straight to the bar. Emi motions for the bartender to bring 2 drinks.

KANAKO: (CONCERNED)

"kinda strong, don't you think?"

Emi chuckles giving Kanako the small glass, along with a lemon piece and a small bit of salt on her wrist.

Kanako and Emi quickly chug down their drinks, after a small grunt, they quickly bite onto the lemon before licking off the salt from their wrists.

EMI: (HYPED)

"Alright! Let's get dancing!!"

After a while of dancing, Kanako steps back to the bar, she was slightly sweating and panting quickly sitting down.

KENJI:

"Hey, you're alright with me sitting here?"

KENJI, (24, 6'2 ,muscular build. His black hair falls in loose waves. Piercing gray eyes. His skin is pale, tattoos that swirl over his body.) He's hot.

KANAKO: (FLUSTERED)

"Oh yeah sure, I don't own the seats."

KENJI: (TEASING TONE)

"Are you here alone? or Boyfriend?"

Kenji asks with a smirk.

KANAKO:

"Oh no nono, single as a pringle!  
Haha..no I'm here with my friend  
Emi"

Kanako points over at Emi who is dancing with, as far as Kanako knows, a random guy.

KENJI: (CONCERNED)

"huh..I see...she's having fun"

The bartender pours a drink, he then looked at Kanako.. his left eye had a scar running down from his brow to his lip..the bartender nodded and slides the drink towards Kenji, who slides it towards Kanako, making her frown slightly.

KENJI: (CONT'D)

"don't worry, its not like I'll drug you. "

Kenji smiles, something about that smile makes Kanako shiver slightly..

KANAKO: (LAUGHING)

"I'm flattered but I'll respectfully decline.."

KENJI:

"It's alright, I understand your worries. Kenji, Ito Kenji."

Kenji stretches his hand out towards Kanako, which she happily accepts.

KANAKO:

"Kanakano. Kato Kanako. A pleasure."

They shake hands and for a split second, Kanako feels herself relaxed, but it didn't last long..

EMI: (YELLING)

"Kanakano!1 lets go home!! I just saw my art Professor!!"

KANAKO:

"jeez..I'm sorry..our teacher will report we were here..we could get in trouble at school."

Kenji nods and takes a sip of his drink..

KENJI:

"hey, it's alright, it's late anyways."

Kanako smiles as saw her friend Emi rush out, she sighs.

KANAKO:

"yeah..it was a pleasure Kenji."

KENJI:

"Likewise."

Kenji raises his glass as a sign of farewell.

#### **EXT. EMPTY STREETS - NIGHT - 10PM**

It was only a few days after clubbing, Kanako was walking home after her job, tired and slow. While walking she notices a figure walking behind her..at a rapid pace. She frowns, thinking she was just paranoid and turned a corner, knowing the figure won't follow.

When she turns her head the figure was closer to her...a tall 6 feet tall figure..she starts running..The figure ran faster to her but suddenly stopped..looking ahead of her and turns a different corner making Kanako slow down..

When she looks forward she meets with a hard surface, someone's chest..Kanakano looks up in embarrassment to meet a pair of grey eyes..

KENJI: (SHOCKED)

"woah. You okay? Oh shit..Kanakano, was it?"

Kanakano looks at the man, she knows him very well.

KANAKO: (RELIEFED)

"Kenji? Oh my goodness, what are you doing here? I mean...thank you.. there was someone chasing me..I..I thought they had a knife"

Kenji nods and helps Kanako into the convenience store, buying her a hot chocolate.

KANAKO: (CONT'D)

"thank you very much..although you helped me..I should be helping you out.."

Kenji laughs slightly and shakes his head. He smiles extending his hand towards her.

KENJI: (FLIRTATIIOUSLY)

"if you really wanna pay me back,I only accept dates as payments.."

Kanako flinches and laughs softly along with Kenji.

KANAKO:

"that was fast..I mean..just a few days ago I saw you at the club..I mean.."

KENJI:

"hey, its alright, I wanna start off as friends, I don't like rushing into things."

Kanako smiles, she likes the idea. She feels relieved. Sighing, she drops her tense shoulders and takes his hand, her face warm with a gentle smile ..

KANAKO: (SMILING)

"sure, I guess I'll see you around?"

KENJI:

"yeah, just let me get your number so we can keep in touch."

**EXT. KENJI'S CAR - AFTERNOON - 5PM**

**SUPER 7 MONTHS LATER...**

Kanako was walking back from the classroom towards kenji's car. When she opens the door she sees Kenji on her phone.

KANAKO: (CONFUSED)  
 "hey babe...why do you have my  
 phone..?"

Kenji smiles and puts down the phone, starting his car.

KENJI: (REASSURING)  
 "oh nothing, it just kept chimming,  
 so I turned it off for you."

Kanako felt weird..something was off but she ignores the feeling and gets into his car.

**EXT. COLLEGE HALLS - AFTERNOON -**

Kanako leaves her class and walks down the halls. While walking she notices her friend, Emi. Kanako frowned in confusion seeing Emi wearing glasses which was very out of character but Kanako shrugges not question it.

KANAKO: (SMILING)  
 "EMI! How you been?"

Emi continues walking, almost as if she doesn't hear Kanako. Kanako frowns and goes on to find Emi again. When she did Emi bursts in anger.

EMI: (SCREAMING)  
 "Just leave me alone you freak! I-i  
 don't want to be your friend  
 anymore! Go away!"

Emi quickly runs off, almost in fear..leaving Kanako in ruins, she looks down and gulps down her tears walking towards the entrance where she could see Kenji waiting for her by his black car.

KENJI: (SMILING THEN CONCERNED)  
 "hey my love- hey..are you  
 alright?"

Kanako starts crying when she reaches his arms. Exploding all her emotions onto him.

KANAKO: (CRYING)  
 "e-emi said she didn't want to be  
 my friend..s-she called me a freak  
 even ran away! B-but I didn't do  
 anything..I swear!"

Kenji sighs and hugs her tightly, playing with her hair, a small smile forms on his lips.

KENJI: (REASSURING)  
 "there there..I mean..who even  
 needs friends like her? You have  
 me..I wont ever leave you.."

Kenji speaks softly, calming down Kanako enough to get her in the car. Before getting into his own car Kenji sees Emi leaving the entrance and they make eye contact. Kenji glares at her..making Emi run back inside and kanako clueless..

**INT. KENJI'S HOME - SATURDAY MORNING -**

Kanako wakes up, to see Kenji up and shirtless, she smiles softly. Kenji turns and smiles at her.

KENJI:  
 "sorry love, did I wake you up?"

KANAKO: (SOFTLY)  
 "I feel like I'm in heaven.."

Kenji chuckles and sat on the bed quickly pulling Kanako onto his lap.

KANAKO: (CONT'D)  
 "Kenji..its too early.."

KENJI: (SEDUCTIVELY)  
 "so what?..I want you for  
 breakfast"

He kisses Kanako sweetly but she pulls away, making him look at her with a pout.

KANAKO:  
 "Listen..I'm staying late today, I  
 have to finish my art project.."

Kenji frowns, almost upset.

KANAKO: (CONT'D)  
 "don't worry, after I'm done with  
 it, I'm all your for the night~"

KENJI: (HAPPILY)  
 "oh I like that one, very much I  
 do."

Kenji tickles Kanako making her turn into a laughing mess..

**INT. KENJI'S HOME - SATURDAY NIGHT - 11PM**

Kanako rushes to Kenji's home, unlocking the door...it was dark.

KANAKO: (SOFTLY) (SUDDEN SCREAM)  
 "Kenji..? honey? Im sorry for not  
 calling..my phone died-..why is it  
 so dar- AH!"

Kanako turns on the lights but was quickly scared by the sight of her boyfriend sitting on the sofa, he has seven empty bottles on the floor and one in his hand..

KENJI: (ANGRY)  
 "who is it..? and don't you dare  
 fucking lie to me! I know you're  
 cheating! look at the fucking  
 time!"

Kanako flinches at his yelling and puts her hands forward, almost defending herself

KANAKO:  
 "I'm not cheating..I would never.."

Kanako gets teary..Kenji frowns and sighs..dropping the bottle on his hand down onto the sofa..

KENJI:  
 "I'm sorry..you're right..please  
 forgive me..I'm just..I'm worried  
 alright..?"

As if nothing, Kenji walks over to Kanako and hugs her..kissing her head, Kanako looks scared..and hugs him back with shaky hands...

**SUPER: 3 DAYS LATER..**

It has been a few days since Kenji yelled and accused Kanako of cheating..he has been acting as if nothing, kissing her head, hugging her and even cuddling at night.

Kenji looks at himself in the mirror as he gets ready for work..

KENJI: (SWEETLY)  
 "alright..darling I'm ready for  
 work!"

Kanako walks to him and smiles, letting him pull her in for a sweet but rough kiss..

KENJI: (CONT'D)  
 "you get better..I'll be back at 6,  
 I'll be waiting for that delicious  
 food my dear"

Kanako nods, forcing a cough, making her face scrunch up in discomfort. She has been faking being sick for the last few days in order to stay home..

KANAKO:  
 "alright dear..have a good day.."

And just like that, Kenji was out of the door..giving Kanako some free time..

**INT. KENJI'S HOME - TUESDAY AFTERNOON - 2PM..**

Kanako has been cleaning for a few hours and finally gets into his office, she gets rid of any dust, bottles, papers and trash he has in there.

While sweeping she accidentally bumps into the bookshelf..but was full of surprise when it slid open..Kanako pushes the bookshelf more revealing a small room..a hidden room. She takes a single shaky step into the small room making the light turn on automatically..

From wall to wall..the room is filled with pictures of her from her senior year till now..in a mannequin was the dress she wore for her prom..and on a large bulletin board a plan..a plan to capture her..**heart**..

Kanako is shocked..she's scared..her eyes widening in disbelief...as she quickly turns to run out she was met with him...Kenji laughs softly leaning against the entrance of the small room.

KENJI:  
 "my..I've been caught...haven't  
 I...my dear?.."

Kenji laughs softly...almost menacingly..

KANAKO: (SCARED)  
 "k-kenji what's all this..?"

Kenji sighs and stands in front of her. Holding her shoulders into place..

KENJI:

"i've been waiting for you to notice me since our senior year...since you held my hand to help me up...since you gave me that beautiful fucking smile while presenting your pet bunny..."

Kanako's shocked..taking a step back..

KENJI: (CONT'D)

"I drove Emi away...I did it all..I ruined your life! So I could be the ONLY source of support for you...I'm all you ever need.."

Kanako shakes her head and tries running past him, too shocked to even speak..but he grabs her arm and throws her down on the floor..the red light making him a scary view from the ground...

KENJI: (CONT'D)

"no..you can't leave me...and you won't..EVER!"

In a split second...kanji takes out a baton from his waist and hits kanako's head..making her fall..and close her eyes...unconscious

**INT. HOSPITAL ROOM - DAYS LATER..**

Kanako opens her eyes, being met with the white noise from the vents..She looks around and sees Kenji speaking to an officer..she moans in pain and Kenji quickly turns to her.

KENJI:

"my dear! You're awake..my goodness..what happened?!"

He shouts in fear and worry..but Kanako can't remember..

KANAKO: (PANICKED)

"i..I don't remember..i-i was just cleaning..when you left..i-i can't remember!"

Kanako cries in a panic and covers her face with her hands. The policeman steps in closer and looks at Kanako.

OFFICER FUJI (27 years old. 6 ft muscular build. Short, dark hair, and brown eyes. A light scar runs across his left eye..from the brow to hislip...)

OFFICER FUJI: (SERIOUS TONE)  
"it seems like you have been a  
victim of a bulgrary..you were hit  
in the head badly and it could take  
time to remember"

Kanako gasps in shock and hides her face on the crook of  
Kenji's embrace.

OFFICER FUJI: (CONT'D)  
"Luckily your boyfriend found you  
and has given me all the  
information I needed..please,  
contact me if you by any chance  
remember a single glance on that  
day."

Kanako nods and the officer leaves..Kenji holds her and  
sighs, whispering sweet nothing into her ear..

KANAKO: (CRYING)  
"I'm scared..p-please don't leave  
me alone..I don't want to be  
alone.."

Kenji notices the policeman outside the window and turns to  
him.

Officer Fuji looks at Kenji and smirks, nodding his head at  
the man. Kenji smirks and nods at him..almost as if signing a  
deal with a single move of their heads..

KENJI: (SMIRKING)  
"don't worry my dear..I won't ever  
leave you..**because you're my  
favorite obsession..**"
